Notices to Parents

25 September 2020

School Uniform

Parents will be aware that since the start of term our pupils have been wearing Summer Dress, and given the pressures of the last few weeks we have been content to turn a more or less blind eye to the fact that some of our pupils' interpretation of the seasonal dress code has been rather loose.

Parents should be aware, however, that with the change in the weather, and with summer now truly behind us, we will be moving back to the standard dress code from Monday 5 October.

Details of this may be found using these links; do please take some time in the coming days to ensure your son or daughter is properly kitted out, and encourage your child to come to school looking their smartest.
