

January 2021

Dear Prep Pupils,

As in the previous lockdown the school prides itself both on the breadth of opportunity available to you, and on the strong sense of community that exists at Mount Kelly, it is very important to us to maintain these elements of a Mount Kelly education. This letter is to set out the extra-curricular and enrichment programme that will be available during this half term.

Though the realities of life in lockdown clearly make it difficult fully to recreate the experience of actually being here, we believe there is something in the programme for everyone and hope very much that you will engage with what is on offer.

The table overleaf shows the full programme and makes clear what is expected of each pupil. Please make sure to read it carefully and identify the compulsory times in the week that you need to log on.

We would ask that pupils make their selections by midday on **Friday 15<sup>th</sup> January**. We will then make all the necessary arrangements, and the whole programme will start at the beginning of week 3, with *Thought for the Week* at 8:30 on the morning of Monday 18<sup>th</sup> January.

All these activities will be delivered using Microsoft Outlook Teams Meetings and instructions on how to access the various activities will be emailed to you by the relevant staff.

Any questions with the online form, with accessing options, or with the programme itself should be directed to Mrs Kelly ([kellyk@mountkelly.com](mailto:kellyk@mountkelly.com)).
