Parent Forum

Our themed Parent Forums aim to help parents better understand what we do and why we do it. We explain our policies and give parents the opportunity to ask questions and engage with our approaches.

Personalised Learning

Tue 23 April | 18:30 | All Parents | College Library

Prep and College parents are invited to learn more about our approach to Personalised Learning, often referred to as Special Educational Needs and Disabilities (SEND). The session will cover neurodiversity, support provision and exam access arrangements.

Presented by:

Nathalie Whysall - Personalised Learning Coordinator/Deputy SENco

Refreshments provided. No booking required.
