Mount Kelly Student /Child Student visa Policy for Parents

Mount Kelly Sponsor Licence Number: X9GYXQCW6

Introduction

We are delighted to be able to welcome international students to the school. Not only are they able to benefit from a UK education but they enrich school life and enhance the experience of domestic students.

All international students without an alternative immigration route, must have a Child Student visa to allow them to study in school. Similarly, the school must have a Sponsor licence issued by the UK Home Office that allows it to recruit overseas students. With the school licence comes a number of continuous and on-going responsibilities that we must comply with at all times. Any school that does not do this will prejudice the licence and may have it withdrawn by the Home Office. Where this occurs, all international students have to leave the school and make a new visa application. The impact, therefore, on students and the school can be very serious.

In order to ensure that pupils and parents comply with the UK Government's requirements on visa entry, Mount Kelly have instructed Sable International Citizenship Limited – a UK immigration law firm that specialises in student visas, school licences and school compliance, to complete and submit all visa applications, whether these are overseas applications, or renewal visas in the U.K. This will not delay the process and the school would appreciate your co-operation in this matter. You can rest assured that the visa applications are in the hands of experts.

General Information

Upon acceptance of a place at Mount Kelly the School will forward your details to Sable International Citizenship, who will be responsible for issuing a Child Student CAS (Confirmation of Acceptance for Study) in support of a pupil's visa application.

- All applications must be supported by entrance examinations, a report from a student's current school and an online interview.
- The School is required to photocopy a student's passport and visa on the first day of term or the first day that a student arrives at the School.
- The School must be notified if your child has obtained a new passport.
- All student absences must be reported to the UKVI. This includes students who arrive late at the beginning of term without prior notification or leave before their course completion date.
- Parents are requested to adhere to the term dates, wherever possible, when booking international flights.
- When a student leaves the School, this will be reported to the UKVI, ceasing sponsorship
- If a Child Student turns 18 years old, they may carry on with their course until their permission to stay ends. If the student wants to do further study in the UK, they will have to apply under another category.
- Students joining from another school in the UK must have a visa application sponsored by Mount Kelly in place, before they arrive at school.
