# Wreath-Making Workshop

MKPA

## Christmas Wreath-Making Workshop

Tuesday 2 December 2025

14:00 - 16:30

Prep Dining Hall

Parents are invited to join us for an afternoon of festive creativity with local award-winning artisan florist Linda Walker from Tavistock's A Scent-Sation. Linda will guide you through how to create and perfect your wreath, using fragrant winter foliage.

Tickets cost **£45** and will include all materials and a delicious cream tea. All profits will raise funds for the School's chosen charity and other MKPA projects.

Linda will also be selling seasonal bouquets and donating a percentage to the charity. Please secateurs and any personal decorations you would like to add to your wreath.
